

FBA Legacy Project Recommendation Form

The Florida Bandmasters Association Legacy Project was created in 2013 to help preserve the history of many of our retired FBA members and to document the stories of outstanding members of the association who have distinguished themselves in their careers, both through performance and as mentors in the field of secondary school band programs.

The Selection Committee of the FBA Legacy Project shall consist of the FBA Executive Committee (President, President Elect, Past President, Executive Director and the JrH/MS Rep) plus the current Chairman of the Legacy Project. They welcome recommendations to the pool of nominees for review. Any FBA member may propose a name for recommendation, but the paperwork submission shall come only from an FBA District Officer following discussion and vote at a District Meeting.

There is no limit to the number of names a District may submit.

There is no limit to the number of times a particular name may be submitted.

It will be the duty of the Legacy Project Selection Committee (FBA President, President Elect, Past President, Executive Director, the JrH/MS Rep plus the current Chairman of the Legacy Project) to govern any and all business that relates to The FBA Legacy Project. The FBA Executive Board or any FBA member may offer suggestions to The Legacy Project; however, all decisions made by the Selection Committee will be final.

The selected list will be reviewed and passed at the FBA May State Board Meeting.

Honorees will be notified in writing at the FBA Summer Convention.

Legacy Project Interviews:

Upon approval, the Legacy Project will find the most appropriate means of documenting the individual's story and will post the interview on the FBA website.

Legacy interviews will take place throughout the year. The site, time and date will be mutually agreed upon at the convenience of both the honoree and the interviewer.
