Selling and taking orders are permitted in the exhibit service area subject to the Guidelines and Restrictions For Sales By Exhibitors. Exhibitors are individually responsible for obtaining at their own expense the necessary licenses and/or registering with the State of Florida for the collection and payment of sales taxes.

GUIDELINES AND RESTRICTIONS FOR SALES BY EXHIBITORS

In order to maintain the high standards that the Florida Bandmasters Association feels it has established for our exhibits and to continue the good business practices and relationships with our exhibitors, the FBA has established the following guidelines for sales by exhibitors in the exhibits area:

1. Exhibitors selling items from their exhibits space should be sure the items are:

- a. Musically-oriented or otherwise related to school music or music education;
- b. Regularly sold in their stores if they are retailers;
- c. Displayed along with other lines of musical merchandise, i.e., instruments, supplies, accessories, sheet music;
- d. In good taste, keeping in mind that we re first and foremost a music education organization.

2. BOUTIQUES:

Music boutique items are very popular and are sold in many music stores. These items will be permitted to be sold providing the seller meets the requirements of a, b, c, d as listed above. We will not permit anyone to bring boutique items or junk jewelry which create a "flea-market" type atmosphere.

3. T-SHIRTS:

T-shirts may be sold as long as they meet the requirements in a, b, c, d listed above.

FIRE REGULATIONS

No storage of empty crates or cartons is permitted in the exhibit area. No combustible decoration material shall be used at any time and all cloth decorations must be flame-proof. All materials and fluids that are inflammable are to be kept in safety containers. There can be no cooking or baking in the exhibit area. Open flames - butane gas, oxygen, etc. - are not permitted. Exits, fire stations and fire extinguisher equipment must not be obstructed. If inspection indicates that any exhibitor has neglected to comply with these regulations, or otherwise creates a fire hazard, the right is reserved to cancel all or such part of the exhibit.

CARE OF BUILDING AND EQUIPMENT

Exhibitors or their agents must not injure or deface the walls or floors of the building, tables or the equipment. Nothing shall be pasted on, tacked, nailed, screwed or otherwise attached to the columns, walls, floors or other parts of the building or furniture. When such damage appears, the exhibitor is liable to the owner of the property so damaged.

SECURITY

The Florida Bandmasters Association will provide the normal hotel security personnel whenever the exhibits are open. However, the exhibitor is solely responsible for his/her own exhibit material and should insure against loss or damages. All property of an exhibitor is understood to be in his/her care, custody and control in transit to and from the confines of the exhibits area. It is strongly recommended that all small items be removed from exhibit tables or display areas and placed out of sight when the exhibits are closed. To achieve maximum security, all exhibitors must close their exhibits promptly and vacate the exhibits area at the specified closing time, and be in attendance when they are open.

LIABILITY AND INSURANCE

Neither the Florida Bandmasters Association nor the Hilton Orlando Hotel will be responsible for any injury, loss or damage that may occur to the exhibitor(s), or to their property from theft, damage by fire, accident or from any other causes whatever, but will take reasonable care to protect exhibitors from such loss. The aforementioned is exempt from any and all claims from such loss, damage or injury. Exhibitors wishing to insure their goods must do so at their own expense.

REGULATIONS AND CONTRACT

These rules and regulations become a part of the contract between the exhibitor and the Florida Bandmasters Association, Inc. They have been formulated for the best interests of the exhibitors and the FBA. The management respectfully asks the full cooperation of the exhibitors in their observance. All points not covered are subject to the decision of the Exhibits Manager.
