Florida Bandmasters Association North Site State Concert Band Music Performance Assessment

The University of North Florida School of Music welcomes you to our campus for the Florida Bandmasters Association State Concert Band Music Performance Assessment! We are very much looking forward to hosting you here, and offering the opportunity to perform in our beautiful Lazzara Performing Arts Hall. I will be your host during your visit, Dr. Tim Groulx, Associate Professor of Music Education. Our music education majors will assist throughout the day as escorts, announcers, runners, and serving in other needed capacities. I have provided for you below information pertaining to logistics, navigation, parking, concessions, building map, and contact information.

The University of North Florida is easily accessed from major highways. From Interstate 10 or 95, get onto Interstate 295, which circumnavigates the city of Jacksonville. UNF is located at approximately the “3 o’clock” position of I-295; exit 52. After exiting, head east (right if you were heading north on 295, left if you were heading south on 295). The road goes directly into campus. When you reach the stoplight stay in the center lane to proceed straight through the light (cars, vans, etc.) and buses should turn right (see map). Cars and vans turn right into the very first driveway (on the right side). Automobiles and vans should head towards the building and may park in the garage on the right. Buses should turn right at the aforementioned light and proceed around until the first driveway on the left and pull up behind the Robinson Theater to unload.

Director check-in: the FBA site office will be located in the School of Music room 1415, between the two warm-up rooms. Warm-up will take place for alternating time slots in 1404 and 1420.

Concessions: Some items will be available for cash only. Please let students and parents know that it would be wise to bring small bills. We plan to offer a pizza meal (2 slices plus bottled beverage) for \$5. While the menu is not yet finalized, expect items such as pizza slices, water, Gatorade, Soda, candy, chips, and similar items at approximately \$1-\$2 each. Proceeds go to the University of North Florida’s Collegiate Chapter of the National Association for Music Education to attend professional development activities such as attending Florida Music Educators Association Conferences.

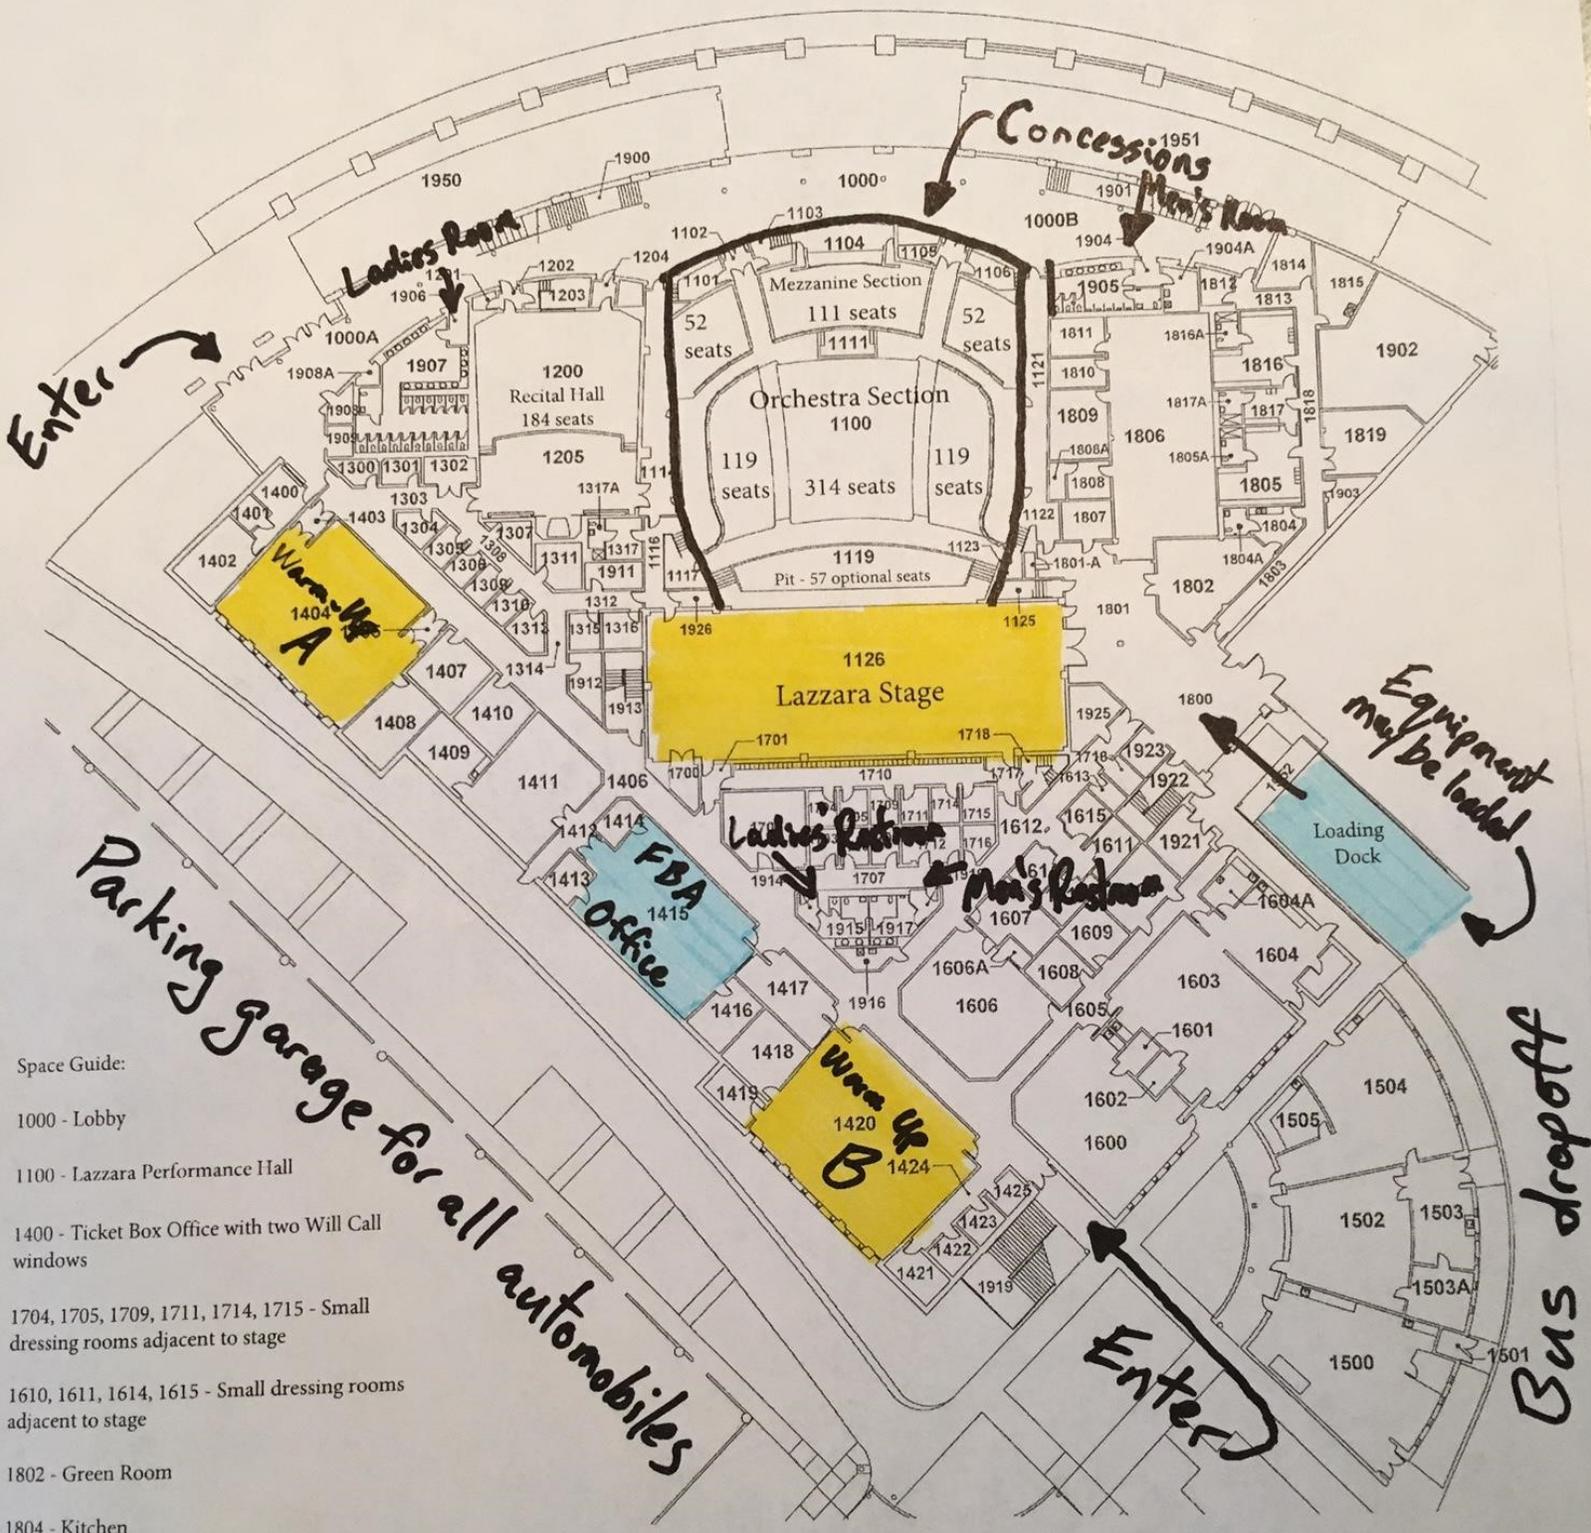

Percussion equipment on performance stage:

| | |
|---------------------|--------------------|
