

Florida Bandmasters Association
All-State Bands/All-State Orchestra Winds & Percussion
January 16, 23 & 30, 2020

Congratulations on your selection to a 2021 Florida All-State Band/Orchestra!! This year, the Florida Music Education Association (FMEA) and All-State Conference will be held virtually. You will have the opportunity to participate in various workshops led by renowned clinicians from around Florida and other parts of the country! FMEA has worked tirelessly to host this engaging and rewarding event that we know you will enjoy! Please see the attached full schedule for specific dates and times.

The following technology is *highly recommended* in order to make your All-State experience smooth and uninterrupted:

- A laptop/computer with a camera (phones and tablets often have intermittent connectivity)
- An external USB microphone – internal microphones do not produce the best sound quality
- Headphones/ear pods
- [The Zoom Client](#) – Zoom is available for Windows and MacOS and can be installed on each. The web client does not allow all of the features that the installed client does.
- Ethernet internet connection – being plugged into an ethernet port often provides more stable internet connection than WiFi.

Things To Bring To Each Virtual Session:

- Instrument and all necessary accessories
- Pencil and paper for notetaking
- Any music that was distributed
- Folding Music Stand

Session Etiquette

- Test all Zoom and your technology beforehand to avoid any issues on the day of the event.
- Please make sure your camera is on – the clinicians want to interact with you and see you performing!
- Students should stay muted as to avoid distracting other musicians and the clinicians.
- Try to set up in a quiet and well-lit room away from distractions so you can hear. Make sure that you set yourself and your instrument up away in such a way that the clinicians can see your full body and instrument position.
- Join each Zoom session at least 10 minutes early and be prompt to all workshops.

Please reference the information below for specific dates and times for each of your sessions.

Additional information can be found at:
