STATE MUSIC PERFORMANCE ASSESSMENT BULLETIN

Following is the FBA Statement of Purpose for Band Music Performance Assessments:

- I. To provide the opportunity for students and directors to perform in an environment which provides critical evaluation of its performance by noted experts in the field of band performance.
- II. To provide the opportunity for students and directors to perform for their peers in a formal concert setting.
- III. To provide a performance opportunity which will serve as a motivational goal for students and directors.
- IV. To provide an opportunity for students and directors to hear performances of their peers and learn from hearing those performances.
- V. To provide a goal which is so compelling that the preparation for attaining that goal becomes the vehicle for continued growth and to demonstrate students' abilities to apply musical fundamentals and concepts in an ensemble performance setting.

STATE BAND MPA INFORMATION:

As we approach the time for the State MPA's, if you concentrate on the musical and educational goals to be attained, rather than on the ratings that may be earned, it will more likely be the positive, enlightening and successful experience that you wish it to be.

Middle school directors (and high school directors whose bands are not attending) in the locations where the State MPA is being held are encouraged to make every effort to bring their students to at least a portion of the MPA as a field trip. What better way to motivate your students and provide an outstanding model for them!

Please pay careful attention to the MPA Online for State Concert MPA; be sure to accurately provide all the information required. **Note** entry deadlines and the need to supply the duration of each selection for Concert Bands.

I urge you to take the time to read this Bulletin and the Instructions provided on the FBA website carefully BEFORE beginning to complete MPA Online. The accurate completion is essential to provide the information needed to ensure that the MPA will be efficiently organized and administered FOR THE SAKE OF YOU AND YOUR STUDENTS.

*****Things about which to be especially careful*****
