STATE MUSIC PERFORMANCE ASSESSMENT BULLETIN

Following is the FBA Statement of Purpose for Band Music Performance Assessments:

- I. To provide the opportunity for students and directors to perform in an environment which provides critical evaluation of its performance by noted experts in the field of band performance.
- II. To provide the opportunity for students and directors to perform for their peers in a formal concert setting.
- III. To provide a performance opportunity which will serve as a motivational goal for students and directors.
- IV. To provide an opportunity for students and directors to hear performances of their peers and learn from hearing those performances.
- V. To provide a goal which is so compelling that the preparation for attaining that goal becomes the vehicle for continued growth and to demonstrate students' abilities to apply musical fundamentals and concepts in an ensemble performance setting.

STATE BAND MPA INFORMATION:

As we approach the time for the State MPA's, if you concentrate on the musical and educational goals to be attained, rather than on the ratings that may be earned, it will more likely be the positive, enlightening and successful experience that you wish it to be.

Middle School directors (and high school directors whose bands are not attending) in the locations where the State Concert Band MPA is being held, are encouraged to make every effort to bring their students to at least a portion of the MPA as a field trip. What better way to motivate your students and provide them with an outstanding model!

Please pay careful attention to the MPA Online for State Concert MPA; be sure to accurately provide all the information required. **Note entry deadlines** and the need to supply the duration of each selection for Concert Bands.

I urge you to take the time to read this Bulletin and the Instructions provided on the FBA website carefully BEFORE beginning to complete MPA Online. The accurate completion is essential to provide the information needed to ensure that the MPA will be efficiently organized and administered FOR THE SAKE OF YOU AND YOUR STUDENTS.

*****Things about which to be especially careful*****

Observe the **POSTED Registration Opens Date** for ENTRY & the **10-DAY-BEFORE THE FIRST STATE-SITE** deadline for MUSIC TITLE CHANGES. (See below for YOUR deadline.)

The 2026 Assessment is \$430.00 per Concert Band if paid by Check (\$30.00 recording fee included).

Pay by Credit Card is available at \$430.00 per Concert Band found on the Assessment Form.

You will need to send the Executive Director 3 items for completion of the State Band Entry

1. "Entry Form" (with signatures and list of participating students: printed from MPA Online)
2. Assessment form: printed from MPA Online
3. Checks payable to FBA or Florida Bandmasters Association (or paid through MPA On-line).

Forms may be emailed to: exec@fba.flmusiced.org

NOTE: DO NOT allow anyone else to mail your paperwork & check. TRUST ME on this.

If you choose to initiate a purchase order with your entry form instead of a check, the payment MUST be received by the FBA State Office within 14 days following your District Concert Band MPA.

If mailing, Send Entry Forms & check to: Neil E. Jenkins, FBA Executive Director
P.O. Box 840135
Pembroke Pines, FL 33084

Explain WHY you need certain dates, realizing that it may not be possible to always honor first choices. Saturday is part of the **Central & South** schedule and needs to be used. CLASSIFICATION FORMS:

A completed Official Classification Form must be on file with the State Executive Director before a school will be allowed to enter an MPA (this was submitted to your District Chair in October).

DIRECTORS: Upon arriving at the MPA site, report immediately to the FBA office to sign in, to get last-minute information or changes, and to meet your student guide if one has been assigned.

[NOTE: Only a director whose name appears on and signs the official MPA entry form may register or transact business for his or her school, unless another adult has a letter of authorization on that school's stationery signed by the director **AND** principal of that school. **The director (or the appointed representative) MUST be on the premises during the hours students from a school are performing. PENALTY: Disqualification of band.**

EQUIPMENT FURNISHED:

However, the band MAY (at the discretion of the Executive Director) be allowed to perform for comments only. Place a set of scores in THREE (3) separate envelopes with the school name clearly marked on each score and envelope.

DUPLICATED or PHOTOCOPIED CONCERT BAND SCORES are not allowed except as indicated in the FBA Handbook. Bands will not be allowed to perform for a rating if this rule is not observed. Recorded adjudicator comments are required for concert bands. The adjudicators will have equipment to record comments which will be uploaded into the MPA On-line program.

You will also receive your Director Commentator's Video. **(INFORMATION WILL BE ON THE WEBSITE WITH THE OPTION FOR QUANTITY DISCOUNTS FOR STUDENTS AND PARENTS FOR RECORDINGS OF ALL STATE PERFORMANCES, IF AVAILABLE)**

MISCELLANEOUS INFORMATION: It is our policy to deal with DIRECTORS ONLY (so that they will be kept informed) if problems occur. Instruct your students to find you if they need assistance.

CONCERT BAND MUSIC: Must be from the current FBA MPA Approved Concert Music List (except Selection #1, march) or have a SPECIAL PERMISSION form from the State Concert Music Committee Chairman attached to the Entry Form. There are no page numbers, so make sure it is on the List, or write in "SP" for Special Permission.

SPECIAL NOTE: TIME BLOCKS: Note that specific time blocks have been created for all sites which will usually accommodate four-six bands per block. You are being highly encouraged to listen to all the bands in your time block (excluding when you are in warm-up). Once the schedule is finalized, an explanation will be posted showing how your block will function. This will afford everyone the opportunity to hear other groups, and more importantly, guarantee an audience for any band performing.

Sheets and audio files will ONLY be released at the end of your Performance Block.

GOOD LUCK TO EVERYONE!!!!!!!!!!!!!!
